

Multicultural Student Affairs Presents:
**LATINO ACCESS AND SUCCESS,
WHY THE TWO MUST WORK TOGETHER**

Freshman Honors Convocation Luncheon:

Featured Panelist:

Dr. Estela López

Educational Administrator and Consultant

Dr. López, the former Vice Chancellor for Academic Affairs of the Connecticut State University System (CSU), has held top administrative positions in different institutions and settings, including Chicago, where she was the Provost of Northeastern Illinois University (NEIU), and Puerto Rico where she served as the Vice President for Academic Affairs and Planning at Inter American University. At CSU, she oversaw online distance education, published research on transfer students, developed a strategic plan for student life for the entire system and was responsible for accountability measures. Under her leadership, NEIU became the only four-year institution in the Midwest to be classified as a Hispanic Serving Institution. López also oversaw enrollment management efforts, which resulted in increased student enrollment and improved retention. Currently, Dr. López serves as the senior program advisor with Excelencia in Education, a national organization which aims to accelerate higher education success for Latino students by providing data-driven analysis of the educational status of Latino students and by promoting education policies and institutional practices that support their academic achievement.
