[Research - Taking Stock: Higher Education and Latinos](#)

Source: [edexcelencia.or](#) Posted By: Eric 8 hours 21 minutes ago

The focus of this brief is to reconcile what we know with what we hear to inform what we can do to address the realities facing Latino students in a manner integrated into the broader policy agenda and discussions in higher education. This brief takes stock of the current higher education environment and integrates the perspectives of elected officials, students, and service providers from interviews and focus groups with data to better understand the role of Latinos in the future access, persistence,....
