

Introduction

The mission of *Excelencia* in Education is to accelerate Latino student success in higher education. A critical group of institutions enrolling and graduating Latino students are Hispanic-Serving Institutions (HSIs).

The classification of Hispanic-Serving Institutions (HSIs) was formally recognized in federal legislation for capacity-building support to improve the access and quality of education for Latino and other low-income students. HSIs are defined as accredited, degree-granting public or private nonprofit institutions of higher education with 25% or more total undergraduate Hispanic full-time equivalent (FTE) student enrollment.¹

In 2023-24, 602 institutions met the enrollment definition of HSIs. HSIs represent 20% of colleges/universities and enroll 64% of Latino undergraduates.

The list of institutions identified as HSIs in this analysis is not intended to designate eligibility for any specific program; rather, the list is meant to assist in considering and analyzing the institutions that meet the basic legislative definition of a Hispanic-Serving Institution. The following list of HSIs was created using data from the Integrated Postsecondary Education Data System (IPEDS).²

Seal-Certified HSIs

The Seal of *Excelencia* is a national certification of institutions that strive to go beyond enrollment to intentionally SERVE Latino students. Not all Seal-certified institutions are HSIs nor are all HSIs Seal-certified. *Excelencia* in Education developed a framework that integrates essential components of transformation (data, practice, and leadership) into a comprehensive institutional strategy for SERVING students. This framework represents learning from over 20 years of working with higher education institutions.³

Legend:

Seal-certified institutions are outlined in a red box throughout the list.

1.) Summary of Title V of the Higher Education Opportunity Act, as amended in 2008. To be eligible for the “Developing HSIs Program,” the law further requires that an HSI have a high enrollment of needy students and low core expenditures.
2.) IPEDS is a system of surveys designed to collect institution-level data from all primary providers of postsecondary education. IPEDS is maintained at the National Center for Education Statistics (NCES), U.S. Department of Education.
